# Granite

- Landscapers Depot installs steps using an all terrain forklift.  
A concrete pad is required on all step installs.

## We Set Granite Steps

**First Step charge: \$225**

**Additional Step charge: \$50/ ea**

(Prices are PER SET of stairs)

\*We require a minimum of a 4" thick prepared concrete pad for each set of steps. Please see the Cement Pad Specification sheet, ask at the office for details.

\*Delivery charges may also apply, depending on location.

\*Step settings are performed with a forklift.

Spacers                      \$16.95/lin ft.                      \$18.15/lin ft.

**Rock Face:** heavy relief, hand cut (chiseled) finish.

**Thermal:** slightly pebbled, non-skid finish produced by the application of high temperature flame.

At Landscapers Depot we only offer hand chiseled rock face finish granite. When pricing posts & steps, be sure you are comparing premium hand chiseled rock face, which is superior to split face finish granite.

## Loading Policy

**We cannot load any posts, steps, treads 4' or longer into anything but an open pick-up truck (no cap) or open trailer.**

• Looking for a great deal? We now have "B grade" stock in various sizes in the clearance section, ask a sales associate for latest availability.
