-\*O\* indicates optional day – due to the distance of towns, we will schedule a date when we are headed in your direction.  
 \*There is an additional \$10.00 ea. charge on each additional product added to split load deliveries (2 to 3 product deliveries).  
 This is for the additional time it takes to load and off load the products. Our split loads are determined by weight, not necessarily volume.  
 Whenever we can combine deliveries, we will suggest it to save you money. Sorry, we cannot deliver in 1/2 yard increments.
