LOADING POLICY: All posts, steps and treads over 4' in length must be loaded into an open pick-up or trailer. Absolutely no SUVs, cars or vans.

Granite

- Landscapers Depot installs steps using an all terrain forklift.
- A concrete pad is required on all step installs.

We Set Granite Steps

First Step charge: \$250

Additional Step charge: \$50/ ea

(Prices are PER SET of stairs)

*We require a minimum of a 4" thick prepared concrete pad for each set of steps. Please see the Cement Pad Specification sheet, ask at the office for details.

*Delivery charges may also apply, depending on location.

*Step settings are performed with a forklift.

Loading Policy
We cannot load any posts, steps, treads 4' or longer into anything but an open pick-up truck (no cap) or open trailer.

Monadnock Steps

Monadnock Radius Steps

Rock Face: heavy relief, hand cut (chiseled) finish.

Thermal: slightly pebbled, non-skid finish produced by the application of high temperature flame.

At Landscapers Depot we only offer hand chiseled rock face finish granite. When pricing posts & steps, be sure you are comparing premium hand chiseled rock face, which is superior to split face finish granite.

• Looking for a great deal? We now have "B grade" stock in various sizes in the clearance section, ask a sales associate for latest availability.
