Made entirely of aluminum, our USPS approved, heavy duty rural mailboxes feature a 1/8" thick extruded aluminum body with a 1/8" thick die cast aluminum front door and rear cover. Heavy duty rural mailboxes also feature a durable powder coated finish available in many contemporary colors and include an adjustable signal flag and magnetic door catch. The die cast door is attached to the body with a full-width stainless steel hinge allowing for smooth operation. All of our heavy duty rural mailboxes can be mounted on a granite post.
